**DEDICATION
FOR JAYNE GASNIENICA**
(1946 — 1980)

We are never prepared for death; it always comes too soon and with great pain. In its wake we discover many of the things we meant to say were left unsaid; many of the things we meant to do were left undone. We sadly learn too often that we don't appreciate each other enough. So dedications become attempts at expressing appreciation:

*Jayne,
You were a great friend.
You were a giver, a contributor, far less kind to yourself than you
were to others.
You touched many of us with your life.
For that we are deeply grateful.
For that we dedicate this yearbook to you.*

*There you stand in your dungarees,
Looking all grown up and so very pleased,
When you write your poems they have so much to
say,
When you speak your dreams it takes my breath
away.*

—from Dreams Go By

On March 23, 1980, Harry Chapin and his band performed in front of 2000 people at Entwistle Gym. His easy-going style and true love of his art was evident to all who attended. Harry was in his element when he was performing a live show; most fans agree that his live albums are his best. Chapin music was not just three minutes of oobie-do, I-love-you — it told a story of life, love and american dreams.

Harry was a leader in the crusade to stamp out world hunger in our lifetime; he played about half of his concerts each year for charity. It was on the way to one of these concerts on July 16, 1981 that Harry lost his life. Harry Chapin will be fondly missed by those who had the good fortune to be touched by his life and music on that Sunday night two years ago in Newark.

The Thrill of Victory

The 1981 NJIT Soccer Team posted an 8-7-0 record this year despite once again facing some of the best Division II and III teams in the nation.

NJIT was ranked as high as fourth regionally after a 3-0 start. But the young Highlanders never seemed to recover from their first loss, a 2-0 defeat by then-National Division II Champion, Lock Haven, and ended up the season ranked tenth in New Jersey, Pennsylvania, and Delaware.

The Highlanders were led by Seniors Andy Bakun, Bill Morris, and Jim Romanski, and by a stingy defense that never gave up more than two goals. Bakun, the team's leading scorer with eight goals, was named All-State, All-Region, and a First-Team Division III All-American. Morris was the second-leading scorer with four goals while Romanski showed his versatility by

playing well at a number of positions. Junior goalkeeper Jeff Caputi (0.99 GAA, 4 shutouts) anchored the defense with help from Paul Bette, Ray Paulius, Ronel Dorvil, Andy Muldowney, Pete Petrou, Jorge Suarez, and Juan Cambeira.

Returning at midfield and forward spots will be David Ferrer, Nelson Gralha, Guy Cilento, Horacio Mazzeo, Arvind Tikku, Mostafa Safaie, Carl Virgil, Scott Swan, and Claudio Pirovano, and Fred Mowczan as backup goalkeeper. The Highlanders hope that such a deep returning cast can offset the graduation of two All-Americans in two years, namely Bakun and present Cosmos star Hernan Borja, and lead to more winning seasons.

Swimming

This year's team was smaller than usual, but the six month season was rewarding for those who participated. After 3 months of practice, the team's first meet was held in Fort Lauderdale, Florida, at the Swimmer's International Hall of Fame. The team's 400 yard freestyle relay placed fourth in the country for Division III. And the same relay broke the school record later in the season. Swimmers Mike Schulzski and Steve Panzarino performed flawlessly throughout the season, consistently placing first in their events. Fourth year swimmer Ken Pelley was this year's captain and won his first place this year in the 1000 yd. race. Rookie Gary Traino captured the school record this year for Butterfly and is expected to break a lot more records before he graduates. The entire team wishes to thank Jenny Stark for being our statistician and Coach Paul Hazlet for his time and patience.

Combining tremendous effort and cooperation with the coaching abilities of Sharon Sindet, the NJIT Gymnastics Club has begun to develop their talents with hopes of competing within the next two seasons.

One of the outstanding members for the season who deserves recognition for his fine performance is Kevin Flood as he displayed dedication, determination, and the ability to progress throughout the year.

The seniors on the team who are leaving next season will "all be missed", said Sindet, however, all spots can be filled with upcoming members from a much improved freshmen team. Sharon Ingram has shown great potential in developing into a fine gymnast that should lead the NJIT team to an excellent season. With many outstanding young gymnasts Sindet is looking forward to an exciting season and wholesome team in the future. Nelson Mercado and Orlando Wilson are two young talents which can make Sindet's dream a reality with their ability to conquer superior skills.

The season was expected to produce an excellent team on the basis of returnees from the previous year. Injuries and academics combined to deal a double blow, however, and the season became a struggle.

Highlights of the season were the improvement of Bill Boyle and the addition of Jean Adragna and Maureen Egan to the team, both of whom ran the standard five mile courses with the men. Tony Robinson and Paul Calabrese, leading runner in the previous year, were strong contributors and Jim Ferner and Jorge Gomez were rapidly-developing new runners.

The NJIT Varsity Bowling Team evolved in 1952 as a member of the North Jersey Bowling League. In 1955 the league was expanded and became the Combined College Bowling League which included New York and Northern New Jersey Colleges. In 1962 the league split into a New Jersey Division and a New York Division. Then in 1973 the two divisions again combined and became the Eastern Intercollegiate Bowling Conference.

Historically, the NJIT Highlanders have always been quite competitive. But it wasn't until recent years that the team became Conference leaders, capturing the Eastern championship title in 1978 and again in 1979. In 1978 the team vied for a National Championship Title, competing in the National Sectional Tournament against nationally ranked teams such as Penn State and West Virginia Universities. A third place finish in this competition was quite remarkable for a university the size of NJIT.

NJIT Varsity Rifle Team had another winning season thanks to the fine coaching of Prof. Robert S. Ketzner and Assistant Ralph Velez. This year the team shot against Stevens, St. Peters, Columbia, United States Maritime College, St. John's, and Hofstra. The only loss came in the beginning of the season, but the Rifle Team pulled themselves together to win the rest.

Most successful season! Tough and gritty team! High Tech basketball in Florida and a resounding win over MIT and FIT on their home court. Highlander highlights of the season were spread over so many events, places, and persons; almost too many to register in other than a blur of speed and action.

Senior Bob Zanzalari sparked the team this year with drive and dedication, matched by the play of returning starters Pete Scheffler, Kuytim Bilali and Carl Morrison. Tom Gallagher, Wayne Bubet and Sal Gagliardo were strong first year additions to the starting line up.

Success was at hand from the start; winners of the FIT HIGH TECH TOURNAMENT, playoff contender in the INDEPENDENT ATHLETIC CONFERENCE TOURNAMENT, and 18-5 for the season!

This year we got it all together, Coach Jim Catalano, his staff and the basketball team presents the NJIT community with its finest team and most successful season. And thanks, Sharon, for the help your cheerleaders brought us!

THIRD ROW: Mark Tompeck (coach), Peter Schleffler, Fritz Propheta, Lancy Lynn, Tom Gallagher, James Catalano (coach).

In our 5th year of existence we had one of our best seasons. Placing 3rd in the Middlesex Comm. Coll. Invitational was the highlight of the season. The "A" Team was propelled by Mike Ticse, Ted Paliwoda, Tom Zimmerman, Bruce Jankowitz, Chris McClure, and Bob Ertle. Spurring on the "B" Team was Pat Regan, Bill Morris, Bob Phillips, and Mark McFadden. This was also the first year for the Rutgers — NJIT Invitational.

 BACK ROW: Paul Bunce, Joe Pniewski, Jack Van Vladricken, Ray Petruch, Tom Flaherty, Mike O'Brien, Roman Burtyk, Coach Oleg Moiseenki.

The 1982 NJIT Men's Volleyball Team was one of the most successful teams in the school's history. Following a 13-5 season in 1981, the team posted victories over such schools as Vassar, Springfield, Yale, U. of Penn, United States Merchant Marine Academy and Cornell. The starting squad of senior co-captains Mike O'Brien and Jack Van Vladricken, seniors Andy Fedun and Roman Burtyk, junior Cisco Goncalves and freshman Joe Pniewski were most proficient as a hustling defense and a hard spiking offensive attack characterized their play.

Some early season team achievements included a first place win in the U.S.M.M.A. Invitational Tournament, the first NJIT tournament victory in the team's history, and a win over Springfield College, the number three team in the East in 1981. A berth in the 1982 Eastern Collegiate Volleyball Finals and a League Championship were among the teams' hopes during the season. Head Coach Oleg Moiseenko was very pleased with the team's performance and hoped to continue the winning tradition with juniors Bob Saba, and Cisco Concalves, sophomores Tom Flaherty, Kelly Bray, Ray Petruch, and Paul Bunce, and Freshmen Teddy Kowaly and A. J. Alcantra.

This emphasizes that the 1982 Highlanders Squad left its mark in Eastern Volleyball, further showing the competitiveness of the NJIT sports program.

NJIT's Hockey team is the comeback team of 1982. In one year they have grown from a floundering 5-12-2 team into a #1 contender. Amazingly enough they have begun to dominate a league which once dominated them.

This tremendous improvement is too much to be accounted for by any one reason. Actually, it is the accumulation of many smaller reasons. Possibly the biggest single improvement is in the coaching. Coach Hannanback is an extremely knowledgeable coach. He may be the best coach NJIT has ever had. Another factor lies in team organization. Captain Tom Nelson has put forth a fantastic effort to organize the squad. This year he managed to get one of the biggest turnouts ever. Additionally, Athletic Director Robert Swanson has done everything possible to help the team. The other reasons lie within the skaters themselves. This year's team is far more serious than last years. They also have a winning attitude about themselves, which tends to breed success. To single out individual players for excellent play is inappropriate. This years team it not a group of superstars, rather it is a team of dedicated players.

The Fencing Team since its beginning in 1935-36 has been one of the Institutes most successful teams with a record that shows only four losing seasons. This years fencers hope to keep the winning tradition. The fencers this year will be facing the following teams: Temple University, George-Mason University, Seton Hall University, The John's Hopkins, Haverford College, Lafayette College, Rutgers-Newark, William Paterson College, Drew University, St. Peter's College, Stevens, and Yeshiva University.

This year's team is captained by 4-year veteran Stephen Colucci, two times selected to compete in the NCAA National Championships.

Baseball

Entering the 1982 baseball season, NJIT is looking to improve on last years 20 win record. With all the starters returning, there is enthusiasm and hope that the team can achieve a berth in the ECAC Tournament.

An analysis of the team reveals experience and depth.

In the pitching department, fireballing Dan McDonald posted a 7-4 record last season. His 103 strikeouts qualified him for third in the nation's ranking of strikeouts-per-game category.

Crafty Ed Pritzlaff logged a 6-1 record in addition to his .358 batting average and 4 homeruns.

Young Jeff Pruneau, 3-4, suffered several heartbreaking late inning defeats but should prove richer for the experience.

Thurman VanRiper and Joe Puglia complete the rotation. The late inning mop-up crew in the Bull Pen consists of Bill Lovely, Frank Testa, Rich Suhr, and Tony Tobey.

Jim Tensfeldt, last season's MVP, will make a shift from shortstop to catcher. A sweet swinging batsman, Jim hit .391 while swatting 4 homeruns and 7 doubles. Scott Stebbins, a good defensive backstop, will share catching assignments.

Glenn Potter, a senior second baseman, batted .311 and serves as the team's co-captain along with Ed Pritzlaff.

Rich Suhr and P. J. DePoortiere are versatile glovemen when the defense needs shoring up. DePoortiere batted .300 in '81 and pleasantly surprised all by batting a torrid .415 in the Fall.

Freshmen firstbaseman VanRiper and shortstop Frank Testa proved valuable additions batting .280 and .517 respectively in the Fall.

The outfield is defensively sound but last season, they engaged in larceny on the basepaths with 51 stolen bases.

Phil Pritzlaff, a three year varsity performer in centerfield, is looking to eclipse the school's stolen base record of 24 which he set in '81 while batting .330.

Keith Brown, a hustler in right field, collected 26 RBIs while batting .500 with 3 homeruns.

Defensive gem, Mike Smith, has done for left field what JAWS has done for ocean swimmers. Feared for his strong arm, Mike is also a respectable hitter.

Tony Tobey, Dario Rodrigues and Roberto Romay give the Highlanders added strength as utility men.

Around the Horn:

Ed and Phil Pritzlaff, twin brothers, combined impressive grade-point-averages and baseball statistics to land Academic All American honors last year. Ed was also nominated to the All State College Division Team.

The Pritzlaffs, Tensfeldt, Brown, Potter and McDonald were listed as IAC All-Conference.

Cheerleaders

The Highlander Cheerleaders put it all together this past season. The coaching staff and the team members, with the experience of a winter season of action, were aware of each other's styles and abilities. This was all assembled like a machine with the precision timing that was needed to make the 1982 season a successful and rewarding one. The start of the

season was rather slow for the women; however, through continual perserverence they were able to capture their goal, "to become a stimulating and motivating force for the Varsity Basketball Team."

Exceptional ladies of the year? The entire team put on an outstanding performance and should be recognized for their efforts.

The morale was excellent, exclaimed their coach Sharon Sindet, as they were a close knit team and a pleasure to work with. The team will enter its second season with only two young ladies not returning in the Fall of 1982.

Good Luck

To The

Class of 1982

From The

Student Senate

**Welcome
to
The Alumni Association**

We're eighteen thousand strong now, and we're glad to have you join us. The doors of the Alumni Center are open at all times, and the facilities and services of the Association are always available to you. **Remember, The Alumni Association is your strongest link with NJIT.**

We wish you the best of luck and a gratifying career in the years ahead. When you feel ready to share some of your success with the Institute, your contribution to the Annual Alumni Fund will support:

- scholarship programs and doctorate fellowships
- athletic awards
- the alumnus magazine and newsletter
- alumni-senior feedback sessions
- social competence programs
- guest lecturers and seminars and conferences
- research foundation and graduate program assistance
- scholastic recognition programs
- the alumni library collection

On the social side, we help keep you in touch with one another through reunions, group travel and sports events. We welcome your support.

Congratulations

to

'82 nucleus staff

and

best wishes
