Eng. 340 Oral Presentations Syllabus

Course Goals:

In this course you will learn to:

- Speak in front of an audience
- Use adequate volume
- Time presentations exactly
- Create a professional online appearance
- Keep your audience's attention
- Communicate in small and large groups
- Integrate visuals and videos

Textbook:

No Text is Required – all necessary materials will be provided via Canvas

Class Rules:

- **Attendance:** is **required** and is **graded:** 0-1 absences = 20 (highest score); 2 absences = 18; 3 absences = 16; 4 absences = 14; 5 absences = 12; 6 absences = 10; 7 absences = 8; 8 or more = 0. If you are absent due to illness or other problems, email me explaining the situation. Attendance is important because we need **audiences** and audience feedback.
- **Preparedness:** every time you are called on to give a speech and you are not ready, one point will be deducted from your score.

Assignments & Grading

All grading will be done numerically. For instance, if an assignment is worth 10%, it will receive a grade from 1 to 10. Some grades receive full credit simply for completion. Grades will be added at the end of the semester for the final grade.

Final Grades:

A = 91 – 100 B+ = 86 – 90 B = 80 – 85 C+ = 75 – 79 C = 70 – 74 D = 65 – 69 F = 0 – 64

Statement on Academic Integrity

Academic Integrity is the cornerstone of higher education and is central to the ideals of this course and the university. Cheating is strictly prohibited and devalues the degree that you are working on. As a member of the NJIT community, it is your responsibility to protect your educational investment by knowing and following the academic code of integrity policy that is found at:

<http://www5.njit.edu/policies/sites/policies/files/academic-integrity-code.pdf>.

Please note that it is my professional obligation and responsibility to report any academic misconduct to the Dean of Students Office. **Any student found in violation of the code by cheating, plagiarizing or using any online software inappropriately will result in disciplinary action. This may include a failing grade of F, and/or suspension or dismissal from the university.** If you have any questions about the code of Academic Integrity, please contact the Dean of Students Office at dos@njit.edu

Hints for Presentations:

- Research has shown that even though *we fear oral presentations more than death*, the fear is frequently not visible.
- When making slides, use images rather than text.
- When using slides, choose a font large enough to see from the back of the room (usually over 20 pts).
- If you have a soft voice, you must practice projecting, which will feel like shouting.
- You will control *timing* by *practicing*. Practice is essential – the more important the talk is, the more you should practice.
Pay attention to your webcam image (ie: light and background)
- **VEGA (Voice, Eye Contact, Gestures, Attitude)**
