83 – 89	B
80 – 82	C+
70 – 79	C
60 – 69	D
< 60	F

<u>Grading</u>	<u>% (approx.)</u>
Midterm	25%
Participation	10%
Bid Proposal	40%
<u>Final Exam</u>	<u>25%</u>
Final Grade	100%

Academic Integrity Statement

Students participating in this class agree to conform to, abide by, and agree to the sanctions of the University Code of Academic Integrity. The code is available for review on the NJIT website.

“Academic Integrity is the cornerstone of higher education and is central to the ideals of this course and the university. Cheating is strictly prohibited and devalues the degree that you are working on. As a member of the NJIT community, it is your responsibility to protect your educational investment by knowing and following the academic code of integrity policy that is found at: <http://www5.njit.edu/policies/sites/policies/files/academic-integrity-code.pdf>.”

Please note that it is my professional obligation and responsibility to report any academic misconduct to the Dean of Students Office. Any student found in violation of the code by cheating, plagiarizing or using any online software inappropriately will result in disciplinary action. This may include a failing grade of F, and/or suspension or dismissal from the university. If you have any questions about the code of Academic Integrity, please contact the Dean of Students Office at dos@njit.edu”

Name (Last, First): _____

Preferred Name: _____

E Mail Address: _____

Phone Number: _____

What degree do you expect to obtain? _____

Do you work? No Yes: Full Time _____ Part Time _____

Have you worked in the construction industry? No Yes: Where? _____

What job do you expect to have in two years? _____

What do you hope to get out of this class? _____

What is your favorite blog or online news source? _____

Student Responsibilities

1. Students are responsible for attending all classes, submitting all assignments, and contacting the Professor by email or in person as soon as possible to address any problems. Students are responsible for following up on all questions or issues.
2. Students are responsible for reading material before class.
3. If absent, students are responsible for obtaining the missed notes and assignments from their classmates. No extensions will be given for assignments given while a student was absent. Class slides, when used, may not be distributed.
4. Students should be prepared to participate in class.
5. Students are responsible for abiding by the policies above.
6. Students are responsible for keeping track of their syllabus.

Course Agreement

I have received the course syllabus. We reviewed the policies and student requirements in class. I understand my responsibilities and I agree to abide by this syllabus.
