This Syllabus is brought to you for free and open access by the NJIT Syllabi at Digital Commons @ NJIT. It has been accepted for inclusion in Chemistry, Environmental and Forensic Science Syllabi by an authorized administrator of Digital Commons @ NJIT. For more information, please contact digitalcommons@njit.edu.

FRSC 201: Intro to Forensic Science
Spring 2023
T/R: 10:00-11:20 AM Tier
Lect 1
Course Syllabus

COURSE INFORMATION

Course Description: This course introduces the principles and techniques of forensic science, including crime scene investigation and laboratory analysis. It is designed to be accessible to those without a science background, but at the same time will provide a well-rounded introduction to Forensic Science for those considering further studies in the field. **Number of Credits:** 3

Prerequisites: None

Course-Section	Instructor
FRSC 201	Sara C. Zapico
Lecture T/R: 10:00-11:20 AM	Office: Tiernan Hall 365
Tier Lect 1	Office Hours: By appointment through e-mail
	Ph: 973-642-4070; email: sc338@njit.edu

Required Textbook:

Title	<i>Criminalistics: An Introduction to Forensic Science</i>
Author	Richard Saferstein, Tiffany Roy
Edition	13 th
Publisher	Pearson Education
ISBN #	9780135218310

and additional readings as assigned.

University-wide Withdrawal Date: The last day to withdraw with a W is Monday, April 3, 2023. It will be strictly enforced.

Learning Outcomes: Upon completion of this course, students will:

- Understand the definition and principles of Forensic Science.
- Acquire knowledge of the mission and tasks of different forensic disciplines.
- Discover the procedures involved in crime scene investigation.
- Recognize different types of evidence samples encountered at crime scenes.
- Learn and understand the techniques used to analyze the different types of samples.
- Develop and interpret a forensic report.
- Understand the interactions between Forensic Science and Law.

POLICIES

All CES students must familiarize themselves with, and adhere to, all official university-wide student policies. CES takes these policies very seriously and enforces them strictly.

NJIT Academic Integrity Code: Academic Integrity is the cornerstone of higher education and is central to the ideals of this course and the university. Cheating is strictly prohibited and devalues the degree that you are working on. As a member of the NJIT community, it is your responsibility to protect your educational investment by knowing and following the academic code of integrity policy that is found at: <http://www5.njit.edu/policies/sites/policies/files/academic-integrity-code.pdf>.

Please note that it is my professional obligation and responsibility to report any academic misconduct to the Dean of Students Office. Any student found in violation of the code by cheating, plagiarizing or using any online software inappropriately will result in disciplinary action. This may include a failing grade of F, and/or suspension or dismissal from the university. If you have any questions about the code of Academic Integrity, please contact the Dean of Students Office at dos@njit.edu.

Grading Policy: The final grade in this course will be determined as follows:

Class Participation	10%
Post-Lecture Questions	10%
Quizzes	30%
Exams	50%

Your final letter grade in this course will be based on the following:

A	90-100	C	70-76
B+	87-89	D	60-69
B	80-86	F	<60
C+	77-79		

Attendance Policy: This is a face-to-face class. Class attendance is **mandatory**. Each class is a learning experience that cannot be replicated through simply “getting the notes.” After one unexcused absence, each subsequent absence will result in your class participation score being lowered by one percentage point. (All excused absences need to go through the Dean of Students). You are expected to read the relevant chapters and/or reading assignments prior to the lecture. Students who participate in class will receive points towards their class participation grade.

Post-Lecture Questions (10%). After the Lecture, answer one/two questions covered during the lesson.

Quizzes (30%), after covering each topic, you will complete a quiz with problem questions related to the topic. All quizzes consist of 10 questions selecting the best answer. The quizzes were designed to be completed in one sitting. Quizzes will be available in Canvas (online.fiu.edu). The quiz grades will be automatically posted in your “My Grades” in Canvas.

Exams 1, 2, 3 and 4 (50%). The non-cumulative Exams will evaluate your progress in the semester. You must take the four exams to get your final grade. All exams will be multiple-choice questions selecting the best answer and will be worth 50 points each. The expected date for each exam is given on the course schedule section, but these dates may vary. The date will be confirmed at least one week prior to the day of the exam.

**Note for Exams: Exams will be taken in class but online with Lockdown Browse. In order to make sure that Lockdown Browser works on your computer, a non-graded quiz must be taken at the beginning of the semester with Lockdown Browser and before getting access to the materials. Any students caught cheating based on Lockdown Browse results will have their exam's grade removed and disciplinary action is taken ranging from a failing grade being issued for that exam to formal misconduct charge being filed with the Provost's office, most likely both. Exam scores will be posted on Canvas (online.fiu.edu).*

Makeup Exam Policy: There will normally be **NO MAKE-UP EXAMS** during the semester. In the event that a student has a legitimate reason for missing an exam, the student should contact the Dean of Students office and present written verifiable proof of the reason for missing the exam, e.g., a doctor's note, police report, court notice, etc. clearly stating the date AND time of the mitigating problem. The student must also notify the CES Department Office/Instructor that the exam will be missed. A written assignment will be given in place of any missed exam.

ADDITIONAL RESOURCES

Accommodation of Disabilities: Office of Accessibility Resources and Services (*formerly known as Disability Support Services*) offers long term and temporary accommodations for undergraduate, graduate and visiting students at NJIT.

If you are in need of accommodations due to a disability please contact Chantonette Lyles, Associate Director at the Office of Accessibility Resources and Services at 973-596-5417 or via email at lyles@njit.edu. The office is located in Fenster Hall Room 260. A Letter of Accommodation Eligibility from the Office of Accessibility Resources Services office authorizing your accommodations will be required.

For further information regarding self-identification, the submission of medical documentation and additional support services provided please visit the Accessibility Resources and Services (OARS) website at:

Important Dates (See: [Spring 2023 Academic Calendar | Office of The Registrar \(njit.edu\)](#))

Date	Event
Jan 17	First Day of Classes
Jan 23	Last day to add or drop
March 13	Spring Recess Begins
March 18	Spring Recess Ends
April 7	Good Friday-No Classes Scheduled-University Closed
May 2	Last Day of Classes
May 3-4	Reading Days
May 5-11	Final Exams

Lecture	Date	Topic	Assignment
Week 1	T, Jan 17	Introduction	1
	R, Jan 19	Introduction	
Week 2	T, Jan 24	Crime Scene	2
	R, Jan 26	Crime Scene	
Week 3	T, Jan 31	Physical Evidence	3
	R, Feb 2	Fingerprints	6
Week 4	T, Feb 7	Review Exam 1-Microscopy	8
	R, Feb 9	Exam 1	1, 2, 3, 6
Week 5	T, Feb 14	AAFS meeting	No class
	R, Feb 16	AAFS meeting	No class
Week 6	T, Feb 21	Bloodstain Pattern Analysis	4
	R, Feb 23	No class	No class
Week 7	T, Feb 28	Forensic Serology	15
	R, March 2	DNA	16
Week 8	T, March 7	Review Exam 2	
	R, March 9	Exam 2	8, 4, 15, 16
Week 9	T, March 14	Spring Break	No class
	R, March 16	Spring Break	No class
Week 10	T, March 21	Organic and Inorganic Analysis	10, 12, 14
	R, March 23	Glass, Metals, Paint, and Soil	10, 14
Week 11	T, March 28	Hairs and Fibers	11
	R, March 30	Firearms, Tool Marks and Other Impressions	9
Week 12	T, April 4	Review Exam 3	
	R, April 6	Exam 3	10, 11, 12, 14, 9
Week 13	T, April 11	Forensic Anthropology and Odontology	In class materials
	R, April 13	Forensic Aspects of Fire and Explosion Investigation	17
Week 14	T, April 18	Drugs	12
	R, April 20	Forensic Toxicology	13
Week 15	T, April 25	Cyber Forensics	
	R, April 27	Forensic Science and Law-Review Exam 4	In class materials
Week 16	T, May 2	Exam 4	17, 12, 13, In class materials
